Tire Warranty – Inspection Criterion & Guidelines

Since CCM purchases both OEM and retread tires from several manufacturers, it is important that we know what the warranty terms are for each of the manufacturers. Following is the latest update on the tire warranties available to CCM.

Company	OEM	Recap	Capability	Conditions
New Pride	3 year warranty prorated for the life of the tread. Tires manufactured in 2008 covered through the end of 2012	1 year prorated for the life of the tread	Yes	Tire cannot be abused by either under inflation or over weight
Leopard	4 years, prorated for the life of the tread	N/A	No	Tire cannot be abused by either under inflation or over weight
Bandag	N/A	2 years prorated based on the life of the tread	No	Tire cannot be abused by either under inflation or over weight
Security Tire	Pro-rated for the life of the tread	N/A	No	Tire cannot be abused by either under inflation or over weight
Super Cargo	3 years OR the life of the tread - whichever comes first	N/A	No	Tire cannot be abused by either under inflation or over weight
MDT	N/A	1 year from date of Manufacture as indicated on recapper DOT	No	All warrantable tires must be presented to the recapper at his place of business or made available for pick up at by one of their regularly scheduled delivery trucks.

All information provided above is accurate as of date of publication. All terms subject to change.

Any questions regarding the application of a specific warranty or regarding what does or does not constitute a warrantable tire should be directed to CCM Corporate M&R.
